Jennifer,

The ROE team invites you to present some opening remarks on Wednesday Jan 27 at 8:00 am (EST) at the joint EEA and EPA virtual meeting hosted through MS Teams. The ROE team has had a working relationship with the European Environment Agency (EEA) for a number of years as their state of the environment report (SOER) closely parallels the ROE. This will be the 4<sup>th</sup> joint meeting and hopefully you are available to make some opening remarks along with Jane Nishida (OITA) and Hans Bruyninckx (EEA). Below is a tentative agenda and we can prepare talking points for you.

Hope you can join us.

Mike
